

FLORE NEIGHBOURHOOD PLAN
MINUTES OF STEERING GROUP MEETING

Held at 7.30 pm on 5th January, 2015 at Rock Springs, Sutton Street, Flore

Attendees

Tom Higginson (TH)	Chairman
Andy Anderson (AA)	Heather Anderson (HA)
Sue Halkett (SH)	Sue Kerrison (SK)
John Miller (JM)	

1. **Apologies:** Geoff Fellows, Duncan Shepherd and Nigel Strang
TH informed the Group that Damian Long has tendered his resignation due to work pressures.

2. **Amendments to Plan**

Group discussed the latest version of the Plan. Comments/questions included:
Policy F12 – Group need to reduce and prioritise: The list of ideas for CIL were reduced to 3:

1. Linear area on the A45
2. Millennium Hall
3. Play spaces north of the village

How much of the VDS could be included?

It was agreed to try to use conical lines to better describe the view rather than arrows. TH will ask Kirkwells how other groups lay out their views on maps.

AA/HA will investigate further some of the descriptions to include.

TH will go through the document to look at any duplication of text.

If any other member has any comments to make on the policies, please send to AA/TH and Kirkwells.

3. **Boundary Plan**

The Group agreed that the drafted boundary plan was the one they wished to proceed with.

Muscott Close and Land off the High Street sites would be excluded but they would be identified.

4. **Open Day**

Saturday 7th February at the Millennium Hall.

TH will speak to Louise at Kirkwells to find out the best form of consultation at this stage. Ideas could be to layout the draft policies as they are or with options. JM suggested using coloured text to say what were set policies and what were village policies. Group thought this a good idea but hard to implement.

Maps of the proposed boundary and views would be required.

Members of the WI would do the teas.

Next meeting: 9th February, 2015

TH was thanked for his hospitality
